Urgent Request from MDEM: Please share broadly with your Fire/Rescue/EMS contacts:

Many of the fire departments in storm-struck areas of western NC are completely destroyed, and they don't have a fire station, equipment, turnout gear, or apparatus. Every item that can be donated is critical for the fire departments to recover. The NC Office of State Fire Marshal has opened a donated fire equipment staging area and is building an inventory of equipment in anticipation of basic equipment requests. OSFM will distribute the equipment as the requests come in. The OSFM staging base camp is located at 2550 Hwy 70 SE, Hickory, NC 28602. The point of contact is Kevin Head. Phone # is 919-592-5143. Email kevin.head@ncdoi.com

*In addition, many departments in the most rural regions are in need of 4-wheel drive vehicles and brush trucks.
